# REELFOOT LAKE.

TWENTY-EIGHT FEET ABOVE THE MISSISSIPPI RIVER.

The engineer in charge of the Reelot Lake levee district, says:

"According to request, have run a eliminary level line from the Misssippi river at Tiptonville to Reelfoot Lake, and found that on the 10th of November, 1900, the date of the work, the elevation of Reelfoot Lake was 28 feet above the Mississippi rivure, responsible for the caving of the day. A general mass meeting will be held bank at Tiptonville, as the country between the lake and the river is resting on a bed of quicksand through which ward the river, and in so doing it will carry off a considerable quantity of the sand and weaken the foundation and cause the caving of the bank. By Iraining the lake, I believe that the caving of the bank at Tiptonville will,

# in a great measure, be remedied.

Connecticut, and has a population a little short of that state. It is one of the richest in resources of the islands of the Gulf of Mexico. Of course ost of its inhabitants, outside of the native and largest element, are Spaniards. In the past year, however, there has been a considerable immigration of Americans and Europeans other than Spaniards into the island, and this movement is likely to increase Although the island is more thickly settled than any of the other pieces o territory in the Caribbean or Gulf-of Mexico, its resources have never yet been developed in any intelligent way. Undoubtedly there is a chance fe

#### STRENGTH IN WOMAN

IS ADMIRED.

"Strength in woman is admired by a strong man always," writes Helen Watterson Moody in the December Ladies' Home Journal. "Of course, I mean by the phrase a 'strong man' a man who has some experience of life. It occasionally nappens that a very eter falls the victim in early life to you the following liberal offer: the fascinations of a clinging, sweet, inefficient creature, as David Copper-field did to his Dora. But the jolder and the stronger and the wiser a man is, the more he is sure to admire the eep strength of character in woman that springs from the large and easy ability to do things well.

### UNIFORM DIVORCE.

The revival of the subject of uniform marriage and divorce laws in the several states, which seems to be consistent with the opening of the new century, has much of importance n it. The discussion is covering wide range. For instance the Pitts

burg Post says: "The feeling appears to be growing that the constitution should mended so as to give congress the ower to deal with divorce and mar iage. Its advocates say it would lead many scandalous abuses and wide and as a whole, it is the peer of any family newspaper in the world, and spread complaints. Curiously enough, it ought to be at every fireside during the coming year. spread complaints. Curiously enough, while the constitutional convention Kentucky candidate for speaker of the next home, if he is elected. He will next house, if he is elected.
